AFFIDAVIT IN SUPPORT OF SEARCH WARRANT

I, BRAD M. DORMAN, HAVING BEEN DULY SWORN, DEPOSE AND STATE: I am a United States Postal Inspector and have been since August 2017. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the use of the United States Mail in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").

Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, as a result of prior investigations and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain characteristics and/or circumstances indicating that a package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors are emanating from the package, and the listed address is located in an area of known or suspected drug activity.

On August 5, 2019, U.S. Postal Inspectors intercepted a package (hereinafter, the "Package") at the Washington Township Post Office in Dayton, OH. The Package is a white USPS Priority Mail Box, bearing tracking number 9505513373749214247948, weighing 7 pounds 7.8 ounces, postmarked August 2, 2019, with the following address information:

**Sender:** Donte Jennings  
20700 San Jose Hills Rd  
Walnut, CA 91789

**Addressee:** Brandon Jennings  
8784 Shadycreek Dr  
Dayton, OH 45458

Through training and experience, I am aware that the Los Angeles, California area is a known drug source location.

I did a check in CLEAR of the addressee's information on the Package of Brandon Jennings, 8784 Shadycreek Dr, Dayton, OH 45458. CLEAR is a law enforcement database that is used as a tool for investigators to identify person/business and address information. According to CLEAR, there is no "Brandon Jennings" associated with 8784 Shadycreek Dr, Dayton, OH 45458.

I also did a check in CLEAR of the sender's information on the Package of Donte Jennings, 20700 San Jose Hills Rd, Walnut, CA 91789. According to CLEAR, there is no "Donte Jennings" associated with 20700 San Jose Hills Rd, Walnut, CA 91789.

Later on August 5, 2019, at my request, Detective Anthony Hutson of the Montgomery County Sheriff's Office conducted a narcotics-detection canine check of the Package. I was present for the check. The Package was placed in a controlled area and presented to narcotics-detection canine, "Gunner." As set forth in the attached affidavit of Detective Hutson, "Gunner" alerted positively to the presence or odor of a narcotic or other controlled substance.

Based on my training and experience as a United States Postal Inspector, the Package's address information, the absence of a known association between the sender and the return address, the failure to provide the sender's name, the Package being sent from a known drug source location, and the positive alert of the narcotics-detection canine are indicative of Drugs and/or Proceeds in the Package.

Therefore, a search warrant to open the Package is requested.

Further, your affiant sayeth naught.

Brad M. Dorman  
U.S. Postal Inspector

Subscribed and sworn to and before me this 5<sup>th</sup> day of August, 2019.

On 8-5-19, at the request of Postal Inspector **DORMAN**, I responded to the **DAYTON P&DC**, where "**GUNNER**" did alert to and indicate upon: [describe item]
